STEP ONE

Select the “Register for Training” Link

The screenshot shows a web browser window with the URL www.train2retain.net. At the top, there are input fields for "Student Email:" and "Password:" with "Login" and "Forgot Password" links. Below this is a banner with the text: *"Training Today's Water Professionals for Tomorrow...
... and Tomorrow's Water Professionals Today"*. A navigation menu contains links for Home, About Us, Courses Offered, Register for Training (circled in red), and Contact Us. A large red arrow points to the "Register for Training" link. To the right of the navigation menu is a logo featuring a water tap with the word "TRAIN" above it and "RETAIN" below it, with a water drop containing the number "2". Below the navigation menu, the main heading reads: **Water/Wastewater Certification
Test Preparation & Practice Exams & Continuing
Education Training**. A paragraph of text describes the company: "Train 2 Retain Resources, LLC is a 100% web-based training program designed to provide certification study, practice exams, and/or continuing education training for water treatment, water distribution, wastewater treatment, and wastewater collection system professionals." At the bottom, there are three columns: "What's In It For Me?" with bullet points "Affordable & Convenient" and "Interactive & Available 24/7"; "Why Train 2 Retain?" with text "Everyone associated with Train 2 Retain has worked for a state"; and "Get Started Today" with bullet points "Click [Register for Training](#)" and "Create an Account".

Step Two

Complete the form and click “Create Account”:

NOTE:

You will not be able to proceed with registration until you have confirmed your account!

Checking for your confirmation email:

- Creation of a confirmation email is almost instantaneous by our system. If you do not receive your confirmation email:
 - Check your junk email folder to make sure that the email has not been deposited in this folder.
 - Make sure that your email provider has not blocked the email as “spam”.
 - If you still cannot locate your confirmation email, contact us at 502-320-4706 so we can help.

The confirmation email you receive will look like the example provided below:

When you click on the activate account link in the email, your browser automatically directs you back to the Train 2 Retain site as seen in the next slide.

You have now activated your account. You may now log into your account to complete the registration process for a course. The student page you have created is permanently your account and you may add additional courses at any time in the future to this account.

The image shows a screenshot of a website's registration page. At the top, there are two input fields labeled "Student Email:" and "Password:", followed by a "Login" button and a "Forgot Password" link. Below these fields is a large banner with a blue background and water splashes. The banner contains the text: *"Training Today's Water Professionals for Tomorrow's Water Professionals ... and Tomorrow's Water Professionals Today"*. Three red arrows point to the input fields and the "Login" button, with labels: "Enter your email address", "Enter password you created", and "Click the login box". Below the banner is a navigation menu with buttons for "Home", "About Us", "Courses Offered", "Register for Training", and "Contact Us". The "Register for Training" button is highlighted. To the right of the navigation menu is a logo featuring a faucet with the word "TRAIN" on the handle and a water drop containing the number "2", with the word "RETAIN" below it. At the bottom of the page, a text box reads: "Your Account is now active. You may now log in by entering your email and password at the top of the page."
